

Train the Trainers Program

Enhance Your Expertise in Business Responsibility and Sustainability Reporting (BRSR)

Le Meridian Hotel, New Delhi
August 27th - 29th, 2024

To join the program, please register by August 16

PROGRAMME OVERVIEW

The UN Global Compact Network India (UN GCNI) in collaboration with Skillocity Business Solutions to launch an advanced Train the Trainers program focused on Business Responsibility and Sustainability Reporting (BRSR). This initiative aims to empower professionals to educate and drive sustainability practices within their organizations and supply chains, with special focus on Sustainability Reporting on BRSR. Corporate integrity is essential to the ethical pursuit of ESG standards and the honest reporting of ESG metrics. There is an impending need to develop ESG capacities and strategies for the SME suppliers of Large Companies, in view of enhancing their understanding of sustainability reporting practices.

PROGRAMME BENEFITS

- Acquire comprehensive knowledge of the BRSR framework.
- Develop skills to create and deliver effective training programs.
- Learn to align sustainability initiatives with business goals.
- Improve ESG performance within supply chains.
- Network with industry experts and like-minded professionals.

TARGET GROUP

This program is designed for:

- CSR Heads, Chief Sustainability Officers, Senior Management personnel
- Health, Environment, Safety, Energy and / or Climate Change professionals
- Personnel from HR; Corporate Communications; Marketing; Procurement and operations
