Network India

Hiring Project Officer (Consultant) – Blue Economy

The UN Global Compact Network India (UN GCNI) invites applications from passionate and committed blue economy / related professionals to become part of an innovative initiative "Centre of Excellence for Business Action on Sustainable Blue Economy (CEBA-SBE)"

CEBA-SBE stives to convene government, industry, and civil society around a shared agenda for sustainable blue economy development in India; it serves as a policy engagement and knowledge platform, producing research, sector recommendations, and best-practice guidance across priority blue economy areas; channels corporate CSR and ESG commitments into structured partnerships with measurable, blue economy-focused outcomes; builds sector capacity and skills through targeted and open training and capacity-building programmes; and aims to position India as a credible voice in global blue economy platforms, advancing business contribution to the SDGs by 2030.
